

The Collaborative on Health and the Environment
National Conference
**Environmental Public Health:
Science, Medicine, Prevention And Policy**

**Friday, October 13, 2006
8:30 AM- 6:00 PM
University of California, San Francisco
Laurel Heights Auditorium, San Francisco, CA**

Featuring the Following Presenters:

- **Philip R. Lee, MD**, Professor of Medicine, Stanford and Chancellor Emeritus, University of California, San Francisco, Chairman, Collaborative on Health and the Environment
The New World of Environmental Health Science: Personal Reflections of a Biomonitoring Test Subject
- **Ted Schettler, MD, MPH**, Science Director, Science and Environmental Health Network
Ecological Medicine: Complex Systems, Health and Disease
- **John Peterson Myers, PhD**, CEO, Environmental Health Sciences, Inc.
The New Revolution in Environmental Health Science
- **Tracey Woodruff, PhD**, Senior Scientist, National Center for Environmental Economics, US Environmental Protection Agency
America's Children and the Environment: The Developmental Origins of Adult Disease
- **Eric Sanford, MD**, Family Physician and Assistant Clinical Professor of Medicine, University of California, San Francisco
Detecting a Lead Epidemic: Lessons from a Community Practice
- **Brian Lewis, MD**, Oncologist, The Permanente Medical Group and Clinical Professor of Medicine, University of California, San Francisco
Introduction: Oncology and Environment
- **Richard W. Clapp, DSc**, Professor, Department of Environmental Health, Boston University
Environmental and Occupational Causes of Cancer: A Review of Recent Scientific Literature
- **Jeanne Rizzo, RN**, Executive Director, The Breast Cancer Fund
Breast Cancer and the Environment: The CHE Consensus Statement and Beyond
- **Susan Braun, MA**, Institute for Women's Health at Commonweal
Prevention Messages for Mainstream Cancer Audiences
- **Ira Tager, MD**, Professor of Epidemiology, University of California, Berkeley
Air Pollution and Human Health: The American Heart Association's Perspective
- **Gordon Fung, MD, MPH**, Director, Cardiology Services, UCSF Medical Center at Mt. Zion, President, San Francisco Medical Society
Advocating for Data-Based Air Quality Standards: A Lesson in Medical Advocacy
- **Stanton Glantz, PhD**, Professor, Division of Cardiology, University of California, San Francisco
Environmental Tobacco Smoke: The Battle Continues
- **Linda Giudice, MD, PhD**, Professor and Chairman, Obstetrics, Gynecology & Reproductive Sciences, University of California, San Francisco
Fertility and Early Pregnancy Compromise: Environmental and Clinical Considerations
- **Alison Carlson**, Facilitator, Collaborative on Health and the Environment Fertility and Early Pregnancy Compromise Working Group
Translating Science into Collaboration: The CHE Fertility/Early Pregnancy Compromise Working Group

- **Elise Miller, MEd**, Executive Director, Institute for Children’s Environmental Health
Facilitating Collaboration on Autism within the Learning and Developmental Disabilities Initiative
 - **Caroline M. Tanner, MD, PhD**, Director of Clinical Research, The Parkinson’s Institute
Parkinson’s Disease: The State of the Science
 - **Jackie Hunt Christensen**, Minnesota State Coordinator, Parkinson’s Action Network
Turning Ideas and Information into Action: People with Parkinson’s Disease Address Environmental Links
 - **Virginia Rauh, ScD, MSW**, Professor of Clinical Population and Family Health, Co-Deputy Director of the Columbia Center for Children’s Environmental Health (invited)
 - **Peggy Shepard**, Executive Director, West Harlem Environmental Action
Community-based Research on Asthma
 - **Michael Wilson, PhD, MPH**, Assistant Research Scientist, Center for Occupational and Environmental Health, University of California, Berkeley
Crafting a Modern Chemicals Policy: The University of California Report and Recommendations
 - **Michael Lerner, PhD**, President, Commonweal and Co-founder, Collaborative on Health and the Environment
Collaboration On Health And The Environment In Action: Bringing Medicine, Science, Patients And Advocates Together
-

Co-Sponsored by the San Francisco Medical Society, the Collaborative on Health and the Environment, California Academy of Family Physicians, American Academy of Pediatrics, California (AAP-CA), The Permanente Medical Group, San Francisco Department of Public Health and the Lymphoma Foundation of America

Physician and Nurse Continuing Education credits will be available through the California Academy of Family Physicians.
